Ideal for Schools, transportation depots, sport facilities and other commercial establishments

Large bottle alcove, suitable for most large sports bottles.

We manufacture our plastic components with **Freshield®**, our exclusive silver-based antimicrobial compound. Like copper, the antimicrobial ability of silver has been known for thousands of years. We simply harness nature to make yours a safer hydration experience.

Freshield reduces the growth of micro-organisms and mildew to protect the surfaces from discoloration, odors and degradation.

DIMENSIONS

**All measurements in mm.*

By being ADA compliant, Ecofil ensures that our products are accessible to people with disabilities.
